### President's Message

Well, that was a non-meeting that will be remembered for quite a while. Sorry about that! In the future I will make sure to remind the County any time we stray from our standard 2nd Sunday of the month. So now the

Round Ball Challenge will take place at our June meeting. **Eli Avisera** is confirmed for both a one-day class on Friday, June 21st and an all-day demo on Sunday, June 23rd. Anyone who is interested in the details of either event can just email me at [president@woodturners.org](mailto:president@woodturners.org) and I will get back to you. I am expecting to have a large number of entries for the Plates, Platters and Saucers Challenge. So bring your round balls for testing on the ramp and bring in a beautiful piece for the Plates, Platters and Saucers Challenge. In the most recent month I have been very impressed by the quality of work that many of our newer members are showing in both the Challenges and the Show- and -Tell portion of our meetings. This is exciting as it shows that there is a growing body of people getting involved in woodturning. I hope to see more work from our newer members in the future. Until we meet again, keep safely making those chips. **Bill**
